

Simply Scored...the new scoring tool!

Introducing Stampin' Up!'s original scoring tool--designed exclusively by and for Stampin' Up! With etched grooves every 1/8", and the ability to score card stock up to 12" x 12", the Simply Scored scoring tool helps you create perfectly measured score marks. It's great for creating multiple projects or projects with a variety of score marks!

Features of the Simply Scored Scoring Tool

- Comes with a high-quality stylus instead of a plastic bone folder.
 - Stylus is ergonomically shaped and features a comfort grip.
 - The high-quality metal tips on each end of the stylus--they come in two sizes--glide smoothly over your paper.
- Features a unique set of place markers that let you mark your score lines when creating multiple projects with the same score lines.
 - Includes three place markers.
 - Additional place markers can be purchased for flawless scoring.
- Includes a hidden storage compartment in the back of the base to hold your scoring tools.
- Accommodates card stock up to 12" x 12".

Why you want this cool new tool

- Designed exclusively by Stampin' Up!, the Simply Scored scoring tool is loaded with unique benefits. It comes with a high-quality stylus--with two different sizes of tips--that will comfortably glide over all of your projects, as well as a hidden storage compartment for extra tools and markers!
- The Simply Scored scoring tool makes duplicating projects easier than ever before. No more pulling out your ruler and measuring over and over again--just attach the place markers exactly where you need them and create!
- The Simply Scored scoring tool has score lines every 1/8" and fits all kinds and sizes of paper up to 12" x 12". Use it on your favorite card stock and Designer Series Paper!
- Beyond perfecting scoring, use the Simply Scored scoring tool to add texture to any paper, create 3-D boxes and projects, and so much more. Unleash your creativity--there is no limit to what you can do with this new tool!
- Designed to provide a secure stable base that won't sag as you score or shift on the table top as you are working.
